Dear Families,

We would like to share with you the enrollment fees for the upcoming academic year.

At St George, we take great pride in fostering a nurturing environment where academic excellence, personal growth, and student well-being are prioritised. Your unwavering commitment to our school community allows us to deliver a truly exceptional educational experience, and we remain dedicated to honoring the trust you place in us.

Dani Best

Interim Headteacher

Over the years, we have continually striven to enhance the quality of education and services we provide. Our outstanding examination results once again, prove our commitment and dedication to every child's learning experience. Our IB Diploma results continue to demonstrate academic excellence, with an average point score of 36.05, 6 points above the global average of 30.5. Remarkably, 26.3% of students achieved top scores of 40-45, compared to the global average of 11.6%. This level of achievement is consistent across the school with 98% of students achieving grades 9-4 in their IGCSEs, highlighting our strong focus on student success and academic rigour. To further improve the children's experiences at school we will be making significant improvements to our outside recreational areas and to general areas around the school.

Upcoming Projects:

- Further investments in facilities and classroom technology.
- New outdoor play areas and enhanced learning resources.
- Implementation of advanced benchmarking assessments for better student progress tracking.

Looking to the Future:

- Major capital investments, including new facilities.
- Expanded digital learning tools.
- Investment in and enhancement of our library facilities to support students' learning.

Through these projects, we aim to not only meet but exceed the expectations of our school community. The trust you have placed in us motivates us to provide an education that is continually evolving, ensuring your children are well-prepared for the future.

We are deeply grateful for the confidence you have shown in us and for your continued partnership in shaping a bright future for your children.

Our Approach to Learning: Empowering Students for Success

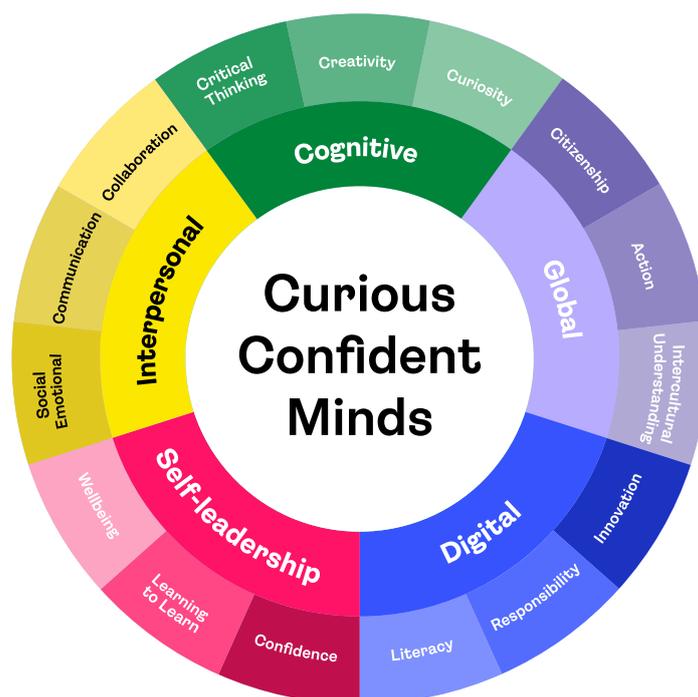

Our innovative approach to learning is built around the 5 ISP pillars, ensuring a holistic and dynamic educational experience. We deliver a rich curriculum that blends academic excellence with personal growth, preparing students to thrive in a rapidly changing world and to embrace challenges with confidence.

Life Competencies: Build Future-proof Careers

At St. George we equip students with the skills needed to thrive in a rapidly changing world. Through our low student-to-teacher ratio and the innovative Learning.First approach, our educators tailor their teaching to meet each student's unique needs. This personalised approach ensures students stay engaged, continuously improve, and surpass their academic and life skills potential, preparing them for success throughout their lives.

Future Pathways Empower Each Student

At St. George we celebrate each child's individuality by designing personalised Future Pathways that align with their passions, strengths, and goals. From local and global university fairs to personalized career guidance, this tailored approach ensures every student is empowered to thrive, making learning not only meaningful but also a powerful step towards their future success.

Multilingualism: Unlocking Global Opportunities

At St. George students thrive in a vibrant, multilingual community where English is the primary language of instruction, with Catalan and Spanish as part of the curriculum. With over 60 nationalities, our students are immersed in a rich, inclusive environment that fosters global citizenship, reinforcing our commitment to excellence in education and international understanding.

International Learning Opportunities (ILOS)

At St. George students benefit from ISP's exceptional opportunities to become confident global citizens through programs like ILOS (International Learning Opportunities for Students). As part of the International Schools Partnership (ISP), our students are connected with peers around the world, broadening their horizons and building international networks. Locally, students also engage in enriching experiences such as field trips, skiing outings, charity events, and visits to museums and cultural sites in and around Barcelona, further enhancing their global perspective.

Academic Achievement

St. George offers a transformative learning experience with world-class curriculum guiding learners from ages 2 to 18 through an enhanced British National Curriculum, as well as the IBDP. St. George offers a unique blend of academic excellence and a global outlook, empowering students to achieve outstanding results. Our rigorous curriculum and personalised approach lead to exceptional academic achievements. With a track record of successful university placements worldwide, our graduates pursue higher education at the World Best university establishments across the globe.
