- Expanded digital learning tools.
- Further development of our Future Pathways program to prepare students for university and careers.

Through these projects, we aim to not only meet but exceed the expectations of our school community. The trust you have placed in us motivates us to provide an education that is continually evolving, ensuring your children are well-prepared for the future.

The school is not liable to reimburse fees in the event of a required closure for a period of time due to "force majeure" including natural disasters, medical epidemics and pandemics.

Any payments made for examinations or trips will first be utilised to settle any outstanding tuition fees. Payments will only be allocated to trips and examinations once all school fees have been fully paid. A three month's notice before the last day in the School is required if a child is to leave the School. In lieu of this notice, the three months' fees are due.

La escuela no se hace responsable de reembolsar los pagos en caso de un cierre obligatorio por un período de tiempo debido a "fuerza mayor", incluidos desastres naturales, epidemias médicas y pandemias.

Cualquier pago realizado para exámenes o excursiones se utilizará primero para liquidar las tasas de matrícula pendientes. Los pagos solo se asignarán a excursiones y exámenes una vez que se hayan pagado todas las tasas escolares en su totalidad.
